- DIRECTOR'S NOTES -

On the foggy fall evening of October 30, 1938, America went to war with Mars!! Adapted for radio by Howard Koch and starring Orson Welles, *War of the Worlds* was presented as a Halloween thriller, or as Welles put it: "The Mercury Theatre's own radio version of dressing up in a sheet and jumping out of a bush and saying 'boo!!'" But, for those who tuned in late, "normal" programming appeared to be interrupted with the startling news that there were "explosions occurring on Planet Mars!" Reports followed stating that a "huge, flaming object" had fallen to earth on a farm near Grover's Mill, New Jersey. More landings were soon reported and an anxious radio audience came to the frightening conclusion the Earth was the target of a full-scale invasion by aliens!!

War of the Worlds is the program that terrified a nation. Thousands fled their homes in panic. In New York City, swarms of curious and frightened citizens crowded the streets to catch a glimpse of a "real space battle." In the town of Grover's Mill, the local water tower was pumped full of buckshot as frightened believers fired at what they thought was a "giant Martian war machine." The true power of broadcast made itself known on this Halloween Eve in 1938, and no one has forgotten the chilling fear and awesome force of this, radio's single most famous broadcast.

Now, 63 years after the original broadcast, this radio classic comes to life as performed by the SITI Company. This staged version of the H. G. Wells/Howard Koch/ Orson Welles/Mercury Theatre on the Air *War of the Words* is part of the SITI Company's investigation into the life and work of the genius Orson Welles for our production, also entitled *War of the Worlds*, about this extraordinary American artist. Written by Naomi Iizuka, *War of the Worlds* premiered at the Humana Festival of New American Plays at Actors Theatre of Louisville in March of 2000.

We hope you will enjoy this evening as much as we have enjoyed the preparation of it for you.

- THE SITI COMPANY -

SITI Company, in its second decade of activity, began as an agreement between Tadashi Suzuki and Anne Bogart to establish a new venture in the United States that would emphasize international cultural exchange and collaboration. SITI believes in a commitment to the power of the theater as a source of spiritual strength in the contemporary global environment. Originally envisioned as a summer institute in Saratoga Springs, NY, SITI grew quickly into a year-round theater company based in New York City with an office and studio. Saratoga Springs is now SITI's summer home.

An ensemble-based theater company, SITI exemplifies the disciplines it practices and the artistic values it develops in its work. The company's mission is to create new works for the theater, to perform and tour these productions nationally and internationally, to provide ongoing training for young theater professionals in an approach to acting that forges unique and highly disciplined artists for the theater, and to foster opportunities for cultural exchange with theater professionals and audiences from all over the world.

In addition to Artistic Director Anne Bogart, SITI Company is comprised of ten actors, five designers, a playwright, stage manager, development director and managing director. The company represents a change in thinking about the relationships between artists and institutions. One way SITI is accomplishing its mission is by integrating into other organizations of the existing American and international theater systems. Examples include our ongoing relationships with Wexner Center for the Arts; Actors Theatre of Louisville; the Walker Art Center; Performing Arts Chicago; On the Boards; Magic Theatre; Krannert Center; Miami Light Project; Theater Emory;

Classic Stage Company and the Brooklyn Academy of Music. SITI affiliations with universities include New York University; The Juilliard School; Columbia University; The Ohio State University; Miami University; University of Minnesota; University of Louisville; Ohio University; Utah State University; Emory University and St. Edward's University. Every June, the Company continues to gather for our annual Summer Intensive at Skidmore College in Saratoga Springs. Internationally, SITI has performed and led training in Japan, Germany, France, the Czech Republic, Wales, the Georgian Republic, Ireland, Turkey, Italy, Australia, Canada, Colombia, Scotland, England, Israel, Denmark and Holland.

Recently SITI premiered Marivaux's *La Dispute* at the American Repertory Theatre in Cambridge and *Nicholas & Alexandra* at Los Angeles Opera.
