Director's Notes

I encountered *Death and the Ploughman* at the tiny Gate Theater in London three years ago and it stopped me in my tracks. The profundity and continued relevance of this text, written in 1401, in German, in Bohemia at a paradigm-shifting moment in human history, is a remarkable human achievement. It was written at a time when the theretofore accepted medieval sensibilities were suddenly called into question—faith, the meaning of life, religious hierarchy, authority—leading to the start of the Renaissance.

Today we are undergoing another paradigm shift where religion, values, and meaning must be examined from fresh new angles. This play by Johannes von Saaz can be a great help to us now. Listen closely and be transformed.

SITI Company

SITI Company is an ensemble-based theater company led by Anne Bogart. Its mission is:

- To create bold new productions;
- To perform and tour these productions nationally and internationally;
- To train together consistently;
- To train theater professionals and students in an approach to acting and collaboration that forges unique and highly disciplined artists for the theater; and,
- To create opportunities for artistic dialogue and cultural exchange.

Founded in 1992 by Anne Bogart and Tadashi Suzuki, SITI Company began as an agreement to redefine and revitalize contemporary theater in the United States through an emphasis on international cultural exchange and collaboration. Originally envisioned as a summer institute in Saratoga Springs, New York, SITI expanded to encompass a year-round company based in New York City with a summer season in Saratoga. The company is known nationally and internationally as a top-level artistic collective that generates groundbreaking theater while training artists from around the world.

In addition to Artistic Director Anne Bogart, SITI Company is comprised of nine actors, four designers, a playwright, stage manager, and managing director. The company represents a change in thinking about the relationships between artists and institutions. SITI Company has formed relationships with theaters and venues around the world that present the company's work. Examples include our ongoing relationships with Actors Theatre of Louisville; American Repertory Theater; the Brooklyn Academy of Music; Classic Stage Company; the Krannert Center; the Mondavi Center at UC Davis; On the Boards; the Hopkins Center at Dartmouth; UCLA Performing Arts; Walker Art Center; and the Wexner Center for the Arts. SITI affiliations with universities include New York University; The Juilliard School; Columbia University; Princeton University; The Ohio State University; Utah State University; and DePaul University. Every June the company continues to gather for its annual Summer Intensive at Skidmore College in Saratoga Springs. Internationally, SITI has performed and led training in Japan, Germany, France, the Czech Republic, Wales, the Georgian Republic, Ireland, Turkey, Italy, Australia, Canada, Colombia, Scotland, England, Israel, Denmark, and Holland.

SITI will premiere its latest project, *Hotel Cassiopeia* by Charles Mee, at the Humana Festival of New American Plays at Actors Theatre of Louisville in March. SITI recently premiered *Intimations for Saxophone* at the Arena Stage in Washington, D.C.; *systems/layers* (a collaboration with music group Rachel's) at Utah State University; and *A Midsummer Night's Dream* at San Jose Repertory Theatre. Other SITI productions include *Orestes*; *The Medium*; *Small Lives/Big Dreams*; *Going, Going, Gone*; *Miss Julie*; *Culture of Desire*; *Bob*; *Private Lives*; *Alice's Adventures*; *Cabin Pressure*; *War of the Worlds*; *Room*; *bobrauschenbergamerica*; *Hayfever*; *La Dispute*; *Macbeth*; and *Score*. Future productions include *A Streetcar Named Desire*; *Underconstruction*; *Soot and Spit*; and *Reunion*. SITI Company and its members have won numerous awards including Obies, Drama Desks, American Theatre Wing, EDDYs, and many more.

One of the most important aspects of SITI's work is the teaching of training techniques to actors and theater artists throughout the United States and the world. Each year SITI finds itself in studios, working with old friends and new. The Viewpoints and the Suzuki Method of Actor Training are two distinct methods of actor training used in building and staging SITI productions. SITI Company members, all of whom have been trained by Anne Bogart and Tadashi Suzuki, are specially qualified to introduce and train other theater artists in these approaches. For information regarding SITI Company's New York City training studio in both the Suzuki Method of Actor Training and the Viewpoints, please call the SITI office at 212.868.0860 or e-mail inbox@siti.org.

UCDAVIS

Mondavi Center is deeply grateful for the generous contributions of the dedicated patrons who give annual financial support to our organization. These donations are an important source of revenue for our program, as income from ticket sales covers less than half of the actual cost of our performance season.

Your gift to Mondavi Center strengthens and sustains our efforts, enabling us not only to bring memorable performances by world-class artists to audiences in the capital region each year, but also to introduce new generations to the experience of live performance through our Arts Education Program, which provides arts education and enrichment activities to more than 35,000 K-12 students annually.

For more information on supporting Mondavi Center visit MondaviArts.org or call 530.754.5421.

POLICIES

Ticket Exchanges

Tickets may be exchanged for tickets to another event produced by the same department. To exchange, present your ticket(s) to the Mondavi Center Ticket Office at least one business day before the performance. There is a charge for each ticket exchanged. Mondavi Center patrons may also exchange ticket(s) for a tax-deductible contribution to the center's Annual Fund or a credit voucher. Ticket exchanges will not be allowed after an event has occurred. Refunds are granted only in the case of event cancellation.

Late Seating

All events start promptly at the time listed on the ticket. Latecomers will not be seated until the first appropriate pause in the program, as predetermined by the artist. Thank you for your cooperation.

Electronic Courtesy

Videotaping, photographing, and audio recording are strictly prohibited; violators will be subject to removal. Please remember to turn off all pagers, electronic watch alarms, and cellular phones before entering any theater.

Security

Mondavi Center no longer allows patrons to bring large bags or backpacks into the building. Patrons are asked to leave such items in their vehicles, and all bags may be subject to search. Thank you for your understanding and cooperation.

Emergency Phone Number

An emergency phone is located with the house staff during performances. The caller must provide your name and seat location (section, row, seat). An usher will then find you and notify you of the call. The emergency phone number is 530.681.6699.

Parking/Drop-off

Parking for patrons with DMV placards is available. There is also a short-term drop-off area directly in front of the entrance.

Accommodations for Patrons with Disabilities

Mondavi Center is proud to be a state-of-the-art public facility that meets or exceeds all state and federal ADA requirements and is fully accessible to patrons with disabilities.

Patrons with disabilities or special seating needs should notify the Mondavi Center Ticket Office of those needs at the time of ticket purchase. Mondavi Center may not be able to accommodate special needs brought to our attention at the performance. These calls are taken through the main line: 530.754.5000 • TDD: 530.754.5402.

Seating spaces for wheelchair users and their companions are located at all levels and prices for all performances. Ushers are available at the doors to Jackson Hall and the Studio Theatre. Please explain to the usher how best to assist you, if needed.

Assistive Listening Devices

Assistive Listening Infrared Systems are installed in both Jackson Hall and the Studio Theatre. Receivers that can be used with or without hearing aids are available for patrons who have difficulty understanding the dialogue or song lyrics. They may be checked out at no charge from the Patron Services Desk near the lobby elevators. Mondavi Center requires an ID to be held at the Patron Services Desk until the device is returned.

Requests for sign language interpreting, real-time captioning, Braille programs, and other reasonable accommodations should be made with at least two weeks notice. Mondavi Center may not be able to accommodate last-minute requests. Requests for these accommodations may be made when purchasing tickets at 530.754.ARTS (2787) or TDD 530.754.5402.
