**Director's note:**

How does the vast labyrinth, the systems and the layers of chemical, muscular and neuronal activity, inform our tiniest interaction? When we begin to examine the chemistry of emotion, thought and action, does our own scrutiny alter the emotion, the thought or the action? When studying the mind, does the mind study you? These questions prompted the creation of our company-devised work *Who Do You Think You Are* (The Brain Project). Our task is to construct a play that simultaneously suggests the complexity of human experience while celebrating its elegance and simplicity.

**Company Information****SITI COMPANY**

SITI Company is an ensemble-based theater company led by Anne Bogart. Its mission is:

- To create bold new productions;
- To perform and tour these productions nationally and internationally;
- To train together consistently;
- To train theater professionals and students in an approach to acting and collaboration that forges unique and highly disciplined artists for the theater; and,
- To create opportunities for artistic dialogue and cultural exchange.

Founded in 1992 by Anne Bogart and Tadashi Suzuki, SITI Company began as an agreement to redefine and revitalize contemporary theater in the United States through an emphasis on international cultural exchange and collaboration. Originally envisioned as a summer institute in Saratoga Springs, New York, SITI expanded to encompass a year-round company based in New York City with a summer season in Saratoga. The Company is known nationally and internationally as a top-level artistic collective that generates groundbreaking theater while also training artists from around the world.

In addition to Artistic Director Anne Bogart, SITI Company is comprised of nine actors, four designers, a playwright, a stage manager, an associate managing director and a managing director. The company represents a change in thinking about the relationships between artists and institutions. SITI Company has formed relationships with theaters and venues around the world who present the Company's work. Examples include our ongoing relationships with Actors Theatre of Louisville, American Repertory Theater, the Brooklyn Academy of Music, Classic Stage Company, the Krannert Center, On the Boards, Arizona State University, Walker Art Center, and the Wexner Center for the Arts. SITI affiliations with universities include New York University, The Juilliard School, Columbia University, Princeton University, The Ohio State University, Utah State University, and University of Chicago. Every summer the Company continues to gather for our annual Summer Intensive at Skidmore College in Saratoga Springs, NY. Internationally, SITI has performed and led training in Japan, Germany, France, the Czech Republic, Wales, the Georgian Republic, Ireland, Turkey, Italy, Australia, Canada, Colombia, Scotland, England, Israel, Denmark, Holland and Singapore.

SITI recently premiered *Radio Macbeth* at the Wexner Center for the Arts at The Ohio State University in Columbus, *Hotel Cassiopeia* at the Humana Festival of New American Plays at Actors Theatre of Louisville, *Intimations for Saxophone* at the Arena Stage in Washington D.C., *systems/layers* (a collaboration with music group Rachel's) at Utah

Future productions include: Soot and Spit, Under Construction and The Seagull. SITI Company and its members have won numerous awards including Obies, Drama Desks, EDDYs, and many more.

One of the most important aspects of SITI's work is the teaching of training techniques to actors and theater artists throughout the United States and the world. The Viewpoints and the Suzuki Method of Actor Training are two distinct methods of actor training used in building and staging SITI productions. SITI Company members, all of whom have been trained by Anne Bogart and Tadashi Suzuki, are specially qualified to introduce and train other theater artists in these approaches. For information regarding SITI Company's New York City Training Studio in both the Suzuki Method of Actor Training and the Viewpoints, please call the SITI office at 212-868-0860.
